## Saying Goodbye with a Difference

Our location overlooking the Long Furlong provides the perfect view to say goodbye following the funeral service with us.

This is lovingly known as saying goodbye 'over the hill' and provides a beautiful lasting memory of a loved one as they are taken to the Crematorium.

Some of our families have even raised a glass on the lawns as they have said goodbye, and some simply take a moment before the Celebration of Life begins.

*"I was so happy with the whole package at Long Furlong Barn, it was perfect."*
